

SWM Architectural aluminium mats - GUARANTEE

SWM Architectural aluminium mats are guaranteed for a period of TWENTY-FIVE (25) YEARS from date of installation.

The following conditions apply:

ALLOWANCES:

- * The guarantee on the joints of the mat allow for the mat to be rolled and unrolled once per week for normal cleaning operations.
- * The maximum load on any point of the aluminium to be 1kN.
- * The supporting surface to be flat and even at all times.

EXCLUSIONS -

the following conditions are specifically excluded from this guarantee:

- * Normal wear and tear.
- * Improper treatment.
- * Vehicle traffic including cars and forklifts.

OTHER NOTES:

- * Defects in the aluminium profile are only replaced in the case of a manufacturing fault being evident.
- * In the event of defects being replaced, such works will be conducted in our workplace.
- * Mats to be replaced must be returned clean and well packed. Damages in transit on return are not covered by this guarantee.
- * The purchaser must check the mats initially for defect within two days of installation. In the event of manufacturing defects being evident, we are to be notified in writing within this time.
